CUSTOMER HANDBOOK

ClearPath Protection

Your complete guide to your Platinum Warranty Plan — how it works, what's covered, and how we support you when it matters.

PROTECTION BUILT ON TRUST · VEHICLE WARRANTIES DONE PROPERLY

01

PART ONE

Welcome to ClearPath Protection

Protection built on trust. Vehicle warranties done properly.

WELCOME

A different kind of warranty company

Vehicle protection, done properly.

At ClearPath Protection, we believe protecting your vehicle shouldn't be confusing. For too long, vehicle warranty products have been associated with complicated terms, hidden exclusions and frustrating claims processes — we founded ClearPath to challenge that.

Our mission is simple: honest, straightforward vehicle protection that gives you real confidence when you need it most. Every policy we offer is designed around clarity, transparency and fairness, because protecting your vehicle should never feel like navigating small print.

This handbook brings together everything you need to know about your Platinum Warranty Plan — what's covered, how claims work, and the promises we make to you — in one clear, considered place.

Clear cover

No confusing jargon, no hidden clauses.

Honest communication

We tell you what you need to know, plainly.

Fair decisions

Every claim is assessed on its own merits.

Fast support

Real people, ready to help when it matters.

Trusted repair networks

UK-wide, or use your own approved garage.

People who care

We built ClearPath because customers deserve better.

WELCOME

A message from our founders

Freddie

CO-FOUNDER

Greg

CO-FOUNDER

Freddie trained as a qualified mechanic, working on vehicles from Lexus, Jaguar and Range Rover before moving into the wider motor trade. Working under the bonnet gave him a front-row seat to an industry that too often let customers down — cover buried in small print, legitimate repairs disputed, drivers left fighting for what they'd already paid for.

Greg brings over a decade of experience working directly with customers across sales, financial services and protection products. Having worked within the UK warranty industry, he saw first-hand where customers were becoming frustrated — and where the industry could do better.

"We didn't start ClearPath to become the biggest vehicle protection company in the UK. We started it because we believe customers deserve better. If we build a business that people genuinely trust, everything else will follow."

Freddie & Greg, Co-Founders, ClearPath Protection

THE CLEARPATH STANDARD

Our values

We speak to people like people. No jargon, no confusion — just clear answers and real support.

Transparency

We clearly explain what is and isn't covered.

Integrity

We do what is right, not what is easiest.

Customer First

Every decision starts with: is this fair for the customer?

Accountability

When we make mistakes, we own them and fix them.

Simplicity

Vehicle protection should be easy to understand.

Respect

Customers, dealers and staff deserve to be treated properly.

Our Promise

Trust before profit

Every policy, every claim, handled the way we'd want our own families treated.

No surprises

Clear terms, explained in plain language from the outset.

Real people

A genuine claims team, not a call centre reading from a script.

That's the ClearPath Promise.

02

PART TWO

Your Protection Explained

Your Platinum Plan at a glance, what it covers, and how it works.

YOUR PLAN

Your Platinum Plan at a glance

One plan. Complete cover, explained simply.

When you join ClearPath Protection, you receive our Platinum Plan as standard — giving you our most comprehensive level of protection, with no confusing tiers to compare.

All mechanical & electrical parts covered

Across the components listed in this handbook.

Labour costs included

Covered up to your selected labour rate.

Fault diagnostics included

Contribution towards diagnostic costs on approved claims.

Trusted repair centres, or your own

Nationwide network, or choose your own VAT-registered garage.

Cover begins immediately

Protection starts as soon as your policy is confirmed.

Claim after 14 days

Claims become available after the first 14 days of your policy.

- Cover begins immediately upon receiving payment.
- Repair costs are covered up to the claim limit you chose when you signed up.
- Unlimited repairs, or up to 10 claims per year (depending on your chosen plan), up to the original purchase price of your vehicle.
- Your vehicle should average no more than 2,000 miles per month.
- A full or substantively complete service history is required, in line with the manufacturer's recommended schedule.
- You have a 14-day cooling-off period to cancel, provided no repairs have been claimed.
- Indirect or knock-on financial losses (for example hotel bookings or lost earnings) are not covered.

Our plans are backed by clear terms and conditions. We know life isn't always black and white — so if something falls outside the rules, we'll still look at it with a fair and open mind.

VEHICLES WE COVER

Cars, vans, SUVs and motorcycles

ClearPath Protection provides reliable cover across the following vehicle types. Your specific coverage depends on your vehicle type, as set out later in this handbook.

VEHICLE TYPE	DESCRIPTION
Petrol & Diesel	Traditional combustion engines.
Hybrid / PHEV	Petrol and diesel engines paired with an electric motor.
Electric (EV)	Fully electric vehicles powered only by battery.
Motorbikes	Petrol, diesel, hybrid and EV motorcycles.

Definitions

Mechanical and Electrical Breakdown

"Mechanical and Electrical Breakdown" refers to the sudden and unexpected failure of a covered mechanical or electrical component that is specifically listed as covered in this handbook, as verified and confirmed by ClearPath Protection.

Please note
Failures resulting from normal wear and tear, or components that have simply reached the end of their natural service life, are explicitly excluded from this warranty coverage unless an add-on for wear and tear is purchased.

Petrol & diesel vehicles

Car, van and SUV cover. Alongside the components below, your Platinum Plan covers the full range of mechanical and electrical systems set out across this section.

Engine & Turbo Unit

- Pistons, rings & crankshaft
- Big end bearings & manifolds
- Rocker assembly, timing chains & gears
- Turbo: inlet/exhaust shafts, bearings, wastegate

Emissions (EGR System)

- EGR valve, cooler, actuator/stepper motor
- EGR control solenoid & position sensor
- Associated EGR pipes (excluding hoses)

Transmission

- Gearbox: gears, bearings, clutches
- Clutch plate, cover & release bearing
- Differential: gears, pinions, bearings, shafts

Drive & Braking

- Propshafts, drive shafts & C.V. joints
- Brake servo units, cylinders & valves

Steering & Suspension

- Power steering units, rams, pumps & box
- Control arms, bushings, ball joints, pins
- Wheel bearings, seals, hubs & flanges

Climate & Cooling

- Air conditioning compressors & pumps
- Radiator, matrix, water pump, thermostat
- Heater assembly, vents & controls

Electrical & Fuel

- E.C.U., solid state control units, coil
- Motors, solenoids, relays, alternator, starter
- Fuel pump, sender units, gauges, air flow meters

Additional Components

- Lock regulators, handles & catches
- Major oil seals and gaskets
- Convertible powerhood motors & sensors

Turbo cover ends when the vehicle reaches 7 years of age or 80,000 miles, whichever comes first. If a new turbo has been fitted, this may be considered for continued cover, provided a valid receipt is supplied. Clutch cover is limited to one repair during the warranty period. Dual mass flywheel is excluded.

Petrol & diesel — what's not covered

Vehicle Components

- Cylinder head cracks and porosity
- Dual mass flywheel systems
- Wiring harnesses and looms
- General extension of excluded items

Damage & Maintenance

- Damage from frost, overheating, lack of anti-freeze
- Normal maintenance and periodic replacement items
- Normal wear items

Additional Systems

- Alarms and immobilisers
- Non-manufacturer approved or customised parts

Emissions (EGR)

- Carbon/soot build-up, contamination or blockage
- Cleaning, de-carbonising or similar maintenance
- Damage from modified or non-approved emissions equipment

Consequential damage
This policy covers the failed component only. Any damage caused to other parts as a result of a failure is excluded.

Hybrid & PHEV vehicles

Car, van and SUV cover. Alongside the components shared with petrol and diesel engines, you're also covered for the following.

Engine & Transmission

- All components within the cylinder block and head (excluding cracks and porosity)
- All components within the transmission assembly

Drive & Fuel Systems

- Final drive: differential assembly & driveshafts
- Fuel pump, tanks, sender unit & injectors

Electric Motor

- Motor(s): rotor, bearings, stator, brushes
- Motor power supply & motor control units

Battery System

- Battery charger & control unit
- Covered up to 80,000 miles or 10 years of age

Electrical & Steering

- Ancillary electrics: control units, motors, switches
- Steering rack, column motor & hydraulic units

Braking, Suspension & Climate

- Braking sensors, switches, control units & hydraulics
- Springs, torsion bars, ball joints & arms
- Battery/motor cooling, heat pump & air conditioning

Battery cover excludes failure due to degradation or degradation of battery cells, and is limited only to the replacement of individual battery cells up to the value of the claim limit. Locks are covered, excluding accidental or malicious damage.

Battery Exclusions

- Damage from environmental conditions
- Battery degradation or fast-charge related damage
- Conventional car and auxiliary batteries

Also Excluded

- Brake discs, pads and tyres
- Consequential damage — failed component only

Electric vehicles (EVs)

Car, van and SUV cover. Alongside the components shared with petrol and diesel engines, you're also covered for the following.

Motors & Related

- Motor(s): rotor, bearings, stator, brushes
- Motor power supply & power control units

Battery & Cooling

- Battery charger & control unit, up to 8 years / 100,000 miles
- Battery/motor cooling: radiators & coolant tanks
- Climate control heat pump & air conditioner

Electrics & Chassis

- Ancillary electrics: control units, motors, switches
- Steering rack, column motor & hydraulic units
- Braking sensors & suspension components

Battery cover excludes failure due to degradation of battery cells and batteries not related to the vehicle's drive system (such as normal car and auxiliary batteries). All major locks are covered, excluding accidental or malicious damage.

Consequential damage
This policy covers the failed component only. Any damage caused to other parts as a result of a failure is excluded.

Motorbikes

Petrol, EV and hybrid motorcycle cover.

Engine

- ✓ Cylinder head (excl. cracks), bushes, camshafts
- ✓ Crankshaft & bearings, cylinder block, gasket
- ✓ Pistons, rings, timing gears, chains & belts (breakage only)

Transmission & Cooling

- ✓ Gearbox: gears, selector shafts, forks, bearings
- ✓ Water pump, thermostat, radiator, oil cooler, fan

Mechanical & Electrical

- ✓ Swinging arm unit (excl. dampers)
- ✓ Clutch mechanical breakdown (excl. wear)
- ✓ Starter motor, alternator/generator, rectifier

Suspension & Braking

- ✓ Rear suspension unit & front telescopic forks
- ✓ Brake master cylinder & calipers

Final Drive & Frame

- ✓ Driveshaft, universal joint, bearings & gears
- ✓ Structural frame members (excl. impact/corrosion)

Eligibility

- ✓ Under 60,000 miles at start of warranty
- ✓ Under 15 years old at start of warranty

COVERED	NOT COVERED
Standard motorbikes, scooters, touring bikes, cruisers & commuter bikes	Off-road / motocross, quad bikes & ATVs
UK registered, road legal, in regular use	Track/racing bikes, custom builds & modified bikes
	Bikes used for hire or reward (including delivery/courier use)

EXCLUSIONS

High-performance & luxury vehicles

Most high-performance, luxury, or high-end vehicles — including certain models of Range Rover, BMW M/7 Series, Audi RS, Mercedes-AMG, Porsche, Jaguar, Maserati, and similar — may not be eligible for cover under our standard UK vehicle warranty plans.

These exclusions exist because such vehicles often:

- ✓ Have specialist components or advanced electronics that require dealer-only repairs.
- ✓ Are associated with higher-than-average repair costs.
- ✓ Exceed our maximum claim limits or labour rate thresholds.
- ✓ May have limited part availability or longer repair times, impacting serviceability.
- ✓ Are classified as performance vehicles, often excluded under standard underwriting criteria.

If you're unsure

If you purchase a policy and we later identify that your vehicle falls into one of these restricted categories, we reserve the right to cancel and fully refund your policy in accordance with our terms and conditions. If you're unsure whether your car qualifies, please contact us before purchasing — we're happy to assess your vehicle and offer a solution where possible.

Commercial vehicles

Commercial vehicles and vans must be in the under 3.5 tonne category. Vehicles used for hire/reward/courier work, commercial vehicles over 35cwt, competition/racing/rallying vehicles, or vehicles owned by garages or motor trade companies are not covered.

EXPLORE OPTIONAL EXTRAS

Add-ons to enhance your protection

Available to add during checkout, our optional extras are designed to extend your peace of mind further.

Vehicle Hire Coverage

Up to £45 per day towards a replacement vehicle if your repair time exceeds 8 working hours, with prior approval.

Breakdown Recovery

Up to £60 per claim for roadside assistance, so you're never stranded.

European Travel Protection

Cover extends to key European countries for up to 60 days in any 12-month period.

European Travel Protection covers the Schengen Area and more, including Belgium, France, Germany, Liechtenstein, Luxembourg, Monaco, Netherlands, Switzerland, Spain, Italy, Portugal, Austria and Norway.

Vehicle modifications & eligibility

A modification is any alteration made to the vehicle after it left the manufacturer's factory, regardless of who performed it.

Generally Accepted

- Cosmetic upgrades: body kits, spoilers, trims, badges
- Alloy wheels/tyres within safe manufacturer limits
- Infotainment, lighting, seats or accessories
- Tow bars fitted correctly; parking sensors, dash cams

May Limit Cover

- Engine remapping, tuning boxes, ECU programming
- Turbo/supercharger or performance upgrades
- Modified suspension; aftermarket electrical rewiring

Not accepted under any circumstances

Removal of emissions control equipment, illegal window tinting, straight-pipe exhausts breaching regulations, or any modification making the vehicle illegal for UK road use or compromising vehicle safety.

If a covered component fails for a reason unrelated to a modification, the claim will usually be honoured. If uncertain whether a modification affects your cover, contact us before making a claim on 0330 229 5040.

03

PART THREE

Conditions of Cover

The terms that keep your protection fair, clear and dependable for everyone.

CONDITIONS

Keeping your cover in good standing

Vehicle eligibility

Covers the motor, hybrid/PHEV or electric vehicle specified in your confirmation email, provided it is currently in use. Vehicles over 150,000 miles or 15 years old at the start of cover are not eligible unless we state otherwise.

Servicing records

Keep the vehicle serviced at a VAT-registered garage in line with manufacturer recommendations, and retain all receipts. Missing records may void cover. Software updates, faults and corruption are not covered.

Your contract

This handbook is your contract with ClearPath Protection. Please read and understand the Terms, Conditions, Exclusions and Servicing Requirements, as failure to comply may result in your claim being denied.

Faults and assessment

We do not cover faults that existed before the warranty was purchased. We reserve the right to inspect and assess the vehicle before settling any claim, and to attempt repair where suitable.

Dismantling charges

Only reimbursed as part of a valid claim. Any unauthorised dismantling, or charges where the failure is not covered, must be paid by the vehicle owner.

Inspection rights

We may inspect the vehicle and/or damaged parts before rectification work begins. Claims caused by lack of servicing will not be considered, and the vehicle must remain roadworthy.

Policy cancellation

We may cancel your policy for non-payment, false information, vehicle ineligibility, or breach of terms. You'll be notified in advance, and a pro-rata refund will usually apply unless a claim has already been made.

Conditional cover

Your cover is conditional — each claim is assessed against the policy terms and isn't guaranteed in every situation. We always aim to be fair and reasonable during assessment.

Service record requirements

Service records must show the service date, mileage, and full details of the provider, including company name, address and a valid contact number. Handwritten or unverifiable records, or those without supporting documentation, may not be accepted.

CONDITIONS

Claim limitations & additional conditions

Claim limitations

ClearPath Protection's total liability for all repairs shall not exceed the maximum claim limit specified in the purchase documentation, or the vehicle's value at the time of warranty inception, whichever is lower, for the entire period of cover.

The conditions and exclusions of this warranty cannot be altered or amended by any party except by written authority of ClearPath Protection. The benefits of this warranty may not be assigned or changed without our written consent.

- ✓ The warranty holder is liable for the excess amount on each claim, in line with the selected warranty plan, unless stated elsewhere.
- ✓ If any claim is fraudulent in any respect, all benefits under this warranty will be forfeited, and a refund may be sought.
- ✓ We may from time to time update these terms, and you will be informed via email or your online portal.
- ✓ If repairs result in the vehicle being in better condition than before the failure, we may request a contribution towards parts and/or labour.
- ✓ We reserve the right to specify the use of reconditioned or exchange parts where appropriate.

If your premium changes

We reserve the right to amend the price of your warranty policy at renewal, or for pay-as-you-go plans, due to changes in taxation (including Insurance Premium Tax), claims costs, parts/labour inflation, or risk profile. If your premium changes during the policy term, you will be notified in writing at least 30 days in advance, giving you the option to cancel if you do not wish to continue at the revised price.

Extended warranty renewal

We'll contact you at least 21 days before your policy ends, and before taking any payment, to confirm your renewal premium and policy terms. You'll receive a reminder before renewal, and we usually offer a discount for renewed plans. If you do not want your policy to automatically renew, let us know on 0330 229 5040 or support@clearpathprotection.co.uk. Cancelling or amending your plan is easy, with no hidden steps, through your online portal.

04

PART FOUR

Making a Claim

No jargon, no hassle — just straightforward help when you need it.

THE CLAIMS JOURNEY

Five simple steps

Claims without complications.

1. **Contact Us**
If something goes wrong, contact us before arranging any diagnostics or repairs, via our claims line on 0330 229 5045 or claims@clearpathprotection.co.uk.

2. **Garage Assessment**
Book your vehicle with a local independent repair agent, or your own VAT-registered garage, for a complete diagnostic check. In most cases you'll need to arrange and pay for the diagnostic upfront.

3. **Approval**
Our team works directly with your repairer to confirm estimated costs. Most claims are reviewed within 90 minutes during business hours. Please do not begin any repairs until we've confirmed authorisation.

4. **Repair**
Once approved, your repairer carries out the work. Approval is sent by email, with a secure link provided for invoice and payment details.

5. **Back On The Road**
Payment is typically processed within 24 hours of us receiving the invoice, so you're back on the move as quickly as possible.

Important
Please don't authorise any repair work before speaking with our claims team first. If work begins without our prior approval, we won't be able to pay that claim. Invoices are only accepted from VAT-registered garages.

Diagnostics, assessment & payment

Diagnostics

To understand what's gone wrong, your vehicle will usually need a diagnostic check by a VAT-registered garage. We may request the vehicle's internal computer "First Occurred" date to support the claim.

If your claim is approved, we will contribute towards the diagnostic cost up to £50 or 1 hour of labour, whichever is lower. If the issue is not covered under your policy, the diagnostic cost remains your responsibility.

Independent engineer assessment

In some complex cases, we may arrange for an independent engineer to inspect your vehicle before we reach a decision. If needed, we'll let you know and organise everything on your behalf. The cost of the assessment will be deducted from your claim limit, and we'll always discuss this with you before proceeding.

Claim decisions and invoices

We assess every claim fairly and thoroughly. In straightforward cases, a garage invoice is usually all we need. In more complex situations, we may request additional information or arrange further assessment at our discretion — every claim is looked at on its own merits, with the goal of reaching the fairest outcome for you.

What makes ClearPath different

Rapid Response

Most claims reviewed within 90 minutes during business hours.

Comprehensive Coverage

Protection for crucial mechanical and electrical systems.

Direct Communication

We work directly with your repairer — hassle-free.

05

PART FIVE

Policy Management

Cancellations, transfers and how we keep communication fair on both sides.

CANCELLATIONS & TRANSFERS

Before you cancel, consider your options

Most customers find one of these options works better than cancelling outright. Our team can help you choose the best route.

Transfer your policy

Moving house or changing ownership? Transfer to a new address for free, or to a new owner for £19.

Adjust your cover

If your circumstances have changed, we may be able to adjust your cover so it better suits your needs.

Pause your policy

In some situations, you may be able to temporarily pause your policy if you don't need cover for a short period.

If you've made a claim

Once a claim has been submitted, your policy will continue for the full term and isn't eligible for cancellation or refund. This is because your claim is reviewed during working hours, costs are incurred in assessing it regardless of outcome, and your cover remains active for the full policy period.

Cancelling within the first 14 days

Your cover begins immediately from the date of purchase. If you cancel within the first 14 days, and no claim has been made or is in progress, you'll receive a full refund — no administration fees, no pro-rata deductions, no cancellation charges. Refunds are typically processed within 5–7 working days.

Cancelling after 14 days

If you cancel after the first 14 days with no claim made, you may be entitled to a pro-rata refund for the unused portion of your cover, less a £40 administration fee.

DAY YOU CANCEL	DAYS COVERED	DEDUCTION
Day 30	30 days	30/365 of your cover + £40
Day 90	90 days	90/365 of your cover + £40
Day 180	180 days	180/365 of your cover + £40

We'll confirm the refund amount and process it within 5–7 working days. If a claim has been made or is in progress, no refund will be available.

How to cancel, and transferring your warranty

Quick summary

Refunds Available

- Within 14 days: full refund (no claim made or in progress)
- After 14 days: pro-rata refund less £40 admin fee

No Refund Available

- A claim has been made or is in progress, regardless of when you cancel

Submitting your request

Complete the short form at clearpathprotection.co.uk/cancel-warranty. We'll confirm your cancellation and any refund within a few working days. Prefer to talk it through first? Our UK team can talk you through your options on 0330 229 5045, Mon to Fri, 9am to 5pm.

When we may cancel your policy

We may cancel your policy immediately, without a refund, in certain circumstances, including where:

- Information provided when purchasing or claiming is false, inaccurate or misleading.
- A claim is found to be fraudulent, exaggerated, or not in line with policy terms.
- The policy has been used in a way that does not comply with the terms and conditions.
- Your vehicle no longer meets the policy requirements (for example age, mileage or modifications).
- Payment due is not received within 7 days of a reminder.
- The vehicle is sold or transferred to a motor dealer or auction.
- You move your permanent address outside the United Kingdom.

We may correct a genuine pricing or system error. If this happens, we'll contact you promptly, explain the error, and give you the option to pay the correct price, amend the cover where available, or cancel for a refund.

Transfer of warranty

Your warranty is transferable if the vehicle is sold privately or you change vehicle, subject to our approval. Email support@clearpathprotection.co.uk with the subject "Transfer of ownership", including full vehicle details, mileage at time of sale, and the new owner's name and address. There's no additional charge for vehicles of the same category; a different category (for example a premium vehicle) may incur an extra fee.

COMMUNICATION

How we stay in touch, fairly

We're here to help, and we aim to make every interaction clear, respectful and supportive.

Our commitment to you

We are always respectful, professional and polite, and aim to provide clear, helpful support at all times.

What we ask from you

That all communication with our team remains respectful and appropriate, so we can support you as effectively as possible.

If communication is considered abusive, threatening or inappropriate, we may limit communication to written channels such as email, restrict the frequency of contact, or choose not to respond to inappropriate messages. Any action we take will be reasonable, proportionate, and in line with our responsibility to protect our staff.

We may use your online account or customer portal as the primary way to share updates about your policy — please check this regularly. Where appropriate, we may also contact you by email or phone.

06

PART SIX

Helping You Stay Protected

Answers to common questions, our promise, and how to reach us.

FAQS

Frequently asked questions

What does my Platinum Plan cover?

Your plan covers mechanical and electrical components across engine, transmission, steering, suspension, climate control, electrics and more, as set out in the coverage section of this handbook. Exact components vary slightly by vehicle type (petrol/diesel, hybrid/PHEV, EV or motorbike).

What isn't covered?

Pre-existing faults, routine servicing, wear and tear, accidental or environmental damage, unapproved modifications, and vehicles used for hire or reward are not covered. Full exclusion details are set out alongside each vehicle type.

How quickly can I get covered?

Cover begins immediately upon receiving payment. Claims become available after the first 14 days of your policy.

How do I make a claim?

Contact us before any diagnostics or repairs begin, on 0330 229 5045 or claims@clearpathprotection.co.uk. Once diagnosis is complete, your repairer must contact us for authorisation before starting any work.

Can I use any garage?

Yes — any VAT-registered garage, including main dealers, or our nationwide network.

Can I cancel my policy?

Yes. Within 14 days you'll receive a full refund if no claim has been made. After 14 days, a pro-rata refund applies, less a £40 administration fee.

Is my modified vehicle covered?

Many cosmetic and non-performance modifications don't affect your cover. Performance modifications such as engine remapping may limit cover for related failures. Contact us if you're unsure.

What if my vehicle is high-performance or luxury?

Some high-performance and luxury models may not be eligible for standard cover. Contact us before purchasing if you're unsure — we're happy to assess your vehicle.

Can I transfer my warranty?

Yes, subject to approval, if you sell your vehicle privately or change vehicles. Email support@clearpathprotection.co.uk with your transfer details.

SUPPORT

Our Promise

Why customers trust ClearPath Protection

Fair Decisions

Every claim assessed on its own merits, with a fair and open mind.

Real People

A genuine UK claims team, not a script.

Transparent Communication

Clear terms, explained plainly, from day one.

When you choose ClearPath Protection, you're choosing a company that puts trust before profit. Every conversation, every policy and every claim is handled with the same principle: treat customers the way we'd want our own families to be treated. Because protecting your vehicle should be straightforward. That's the ClearPath Promise.
